

NOTICE FROM THE BARCELONA KNOWLEDGE HUB OF ACADEMIA EUROPAEA

March 25, 2020

Deadline extended until April 30th: Barcelona Hypatia European Science Prize (2nd edition, Life and Health Sciences)

From: The Barcelona Knowledge Hub of Academia Europaea (AE-BKH)

To: All Members of Academia Europaea (MAEs)

Dear colleagues,

The Academia Europaea-Barcelona Knowledge Hub (AE-BKH), currently working remotely in compliance with recommendations by the Spanish health authorities, wishes to inform you of the following:

Due to the extraordinary situation worldwide in response to COVID-19, the deadline for the **Call for Nominations** for the second edition (**Life and Health Sciences, LHS**) of the **Barcelona Hypatia European Science Prize**, has been **extended to April 30th at 5:00 pm (CET)**.

As mentioned in earlier correspondence, the Prize, in the amount of **30,000 euros**, will recognise an **outstanding researcher** who has achieved a career of excellence at the highest international level in Europe and has made a **significant contribution toward different fields of knowledge**, as well as a **positive impact on society**. This 2nd edition of the Hypatia Prize will recognise a research career focused on LHS, including other related

sciences and technologies giving support to LHS, such as biochemistry, bioengineering, bioinformatics, etc.

All information regarding prize criteria and procedures, including the Nomination Form, can be found on the Barcelona Knowledge Hub's website at:

<http://barcelona.acadeuro.org/hypatia-prize-second-edition-2019-2020/>

You will find that the Nomination Form is very simple, allowing the user to easily prepare it in a question of minutes and send it back to the us by e-mail (barcelona@acadeuro.org). Since nominations are handled electronically, we do not anticipate that working remotely will affect the process in any way.

Thank you for your attention. Please feel free to contact our Hub Manager, Kimberly Katte, with any comments or questions, at: barcelona@acadeuro.org

We hope you remain safe and healthy during this exceptional situation.

Cordially yours,

Ricard Guerrero

Academic Director

Kimberly Katte

Hub Manager
